Carcace, May 9 -At the plant of the Illinors Steel Co. in South Chicago yesterday morning 1,200 man struck for last year's wages. Toe men remained about the works all day and the forces of the strikers were to creased by the laying off 2,300 men. Shortly before 6 o'clock about 1,600 men, mostly Poles and Bohemains, forced their way past the watchman at one of the gates and proceeded to take possession of the company's property. They marched first to where some of the laborers were still at work, and either compelled them to join their ranks or quit work. When the strikers reached the machine shop, where about 400 machin into were employed, they were ordered away by the machinists and be gan an attack upon the machine shop with stones and such wespons as they could ptck up; The machinists for the most part stood their ground and gave the strikers as good as they sept. The fight was growing warm when the police arrived, under the command of Capt. Jenkins, who at once made a charge on the mob with his handful of officers. The strikers at first relused to give ground and the police used their clubs freely. This did not have the desired effect and Capt. Jenkinss or-
